

# Protective Floor Mat

**DEAR CUSTOMER,**

we would like to congratulate you on the purchase of your Crane Fitness floor mat.

You made the right choice, because Crane Fitness products are quality-tested and comply with current standards. This means that you have a high quality standard. We would like to thank you for the trust you have placed in us.

We wish you a lot of fun and success during your training.

**NOTES:**

Read the following instructions and warning notices carefully, and keep these in a safe place in case you wish to read them later.

If you pass the article on to someone else, also include these safety instructions and warning notices.

**SAFETY INSTRUCTIONS AND WARNINGS:****Intended use:**

This floor mat is designed for private use, it is not suitable for commercial environments.

**Warning notes**

- This floor mat should not be used for gymnastics, therapeutic work or exercise.
- Always make sure that the surface is level and non-slip.
- The floor mat should not be used with underfloor heating switched on as it is not heat resistant.

**Care instructions**

- The surface of your floor mat is sweat resistant, however it should be cleaned at regular intervals to ensure it remains hygienic.
- Use a soft, damp, lint free cloth to clean.
- Please do not use corrosive, aggressive or abrasive agents.

**Storage**

- Store the floor mat in a dry, well-ventilated place. It is best to cover the floor mat with a cloth to protect it from dust.

**Disposal**

Please dispose of the various materials in accordance with your local regulations to ensure an environmentally friendly recycling.
